How to make a MAGIC Book!

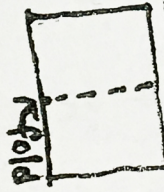

* fin.

STEP 3:
Turn your book longways and fold each end into the center.

* Be sure to make good creases with your fingernails!

STEP 1: Fold your paper hamburger style!

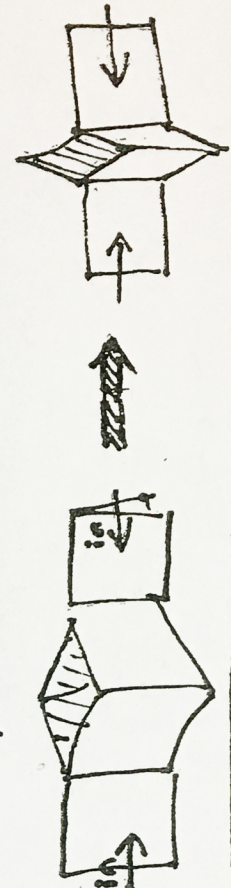

STEP 2:

Now, fold your paper hot dog style

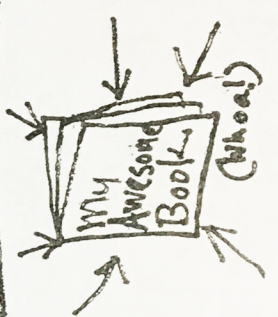

STEP 5b: OR, fold the paper hotdog and push the center in like this:

* Some folks like this way better. ☺

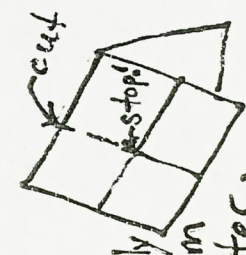

STEP 6:

Flatten your book completely and get ready to write your story! Or draw a comic! It's all up to you and your imagination!! *

STEP 4: Fold your paper in half hamburger style. Carefully use scissors to cut from the folded side to the center, as shown.*

STEP 5a:

Now hold the piece you just cut together and fan the two ends out. Then pull the cut section apart until it can't go any further.

* Get help from a grown-up, if you need it!
